## Landa Tough

Industrial cleaning is a daily chore for some and is crucial in helping to maintain the efficiency and dependability of heavy machinery and equipment. To that end, Landa offers a long line of industrial cleaning products that meet the most stringent cleaning needs of just about any industrial equipment user.

Just like the people who use Landa pressure washers, they are built tough. Rugged design and superior engineering make it the right choice for today's professionals.

Visit [www.landa.com](http://www.landa.com) today to find the right machine for you.

## Look for Landa's Value-Added Icons

Throughout the following pages, look for these icons displayed with each Landa pressure washing system. Find out what makes our professional cleaning equipment some of the most unique and sought after equipment in the industry.

### HOT WATER SYSTEM

Landa's hot water pressure washers are your solution for cleaning greasy spills and grime.

### COLD WATER SYSTEM

Landa's cold water pressure washers help you remove caked on dirt and other debris.

### 7-YEAR PUMP WARRANTY

Most Landa pumps come with a 7-year pump warranty, wear parts excluded.

### AUTO START/STOP

Protects during unattended operation by shutting down the pump during non-use. Optional on some series.

### TRU-TITE SYSTEM

Uses a spring-loaded idler arm to keep the belt aligned and tensioned, creating less wear and tear on the belt.

### COOL-BYPASS\*\*

Circulates water to prevent overheating the pump or contaminating the detergent in the water tank.

### EASY!LOCK

A robust, long-life quick-release fastener: 5 times faster than screw connections.

### WIRELESS REMOTE

Controls pump, burner, and detergent remotely from up to 300' away.

### TRU-TRAC TECHNOLOGY

Keeps the belt parallel with the pump and motor when adjusting the belt tension.

### HOT WATER GENERATORS

Economically add hot water cleaning to a pressure washer.

### WATER RECOVERY

Recover wash water and contain the water for transfer

### EASY!FORCE TRIGGER GUN

Uses recoil force to hold the trigger for you – zero holding force for effortless operation.

\*Patent No. US-2011-0232696-A1 \*\*Patent No. 8,496,188 B2

Landa is continually seeking ways to improve its product line in order to ensure customer satisfaction. As a result, specifications, photos and product descriptions are subject to change without notice.

## PHW

### Hot Water > Electric Powered > Diesel/Oil Heated

This workhorse has been a flagship for more than a quarter of a century, and now has patented Cool-Bypass\* technology that limits temperature buildup in the pump during periods of inactivity, prolonging the life of the equipment. Another innovation introduced to an already long list of features is Snap 'N Go kits, which allow easy upgrades to time delay shutdown, wireless remote operation, or auto start-stop. This industrial series includes our large frame LT Pump affixed to our proprietary Tru-Trac belt tension system, and an oversized 10-gallon diesel fuel capacity allows you to complete challenging cleaning jobs without interruption. The integrated float tank and metering valve allows for the easy introduction of detergents when needed. Whether cleaning hog confinements, farm equipment, or fleet vehicles, the PHW series is built to deliver top quality results.

- Belt-Drive Landa Pump with 7-year warranty
- Patented Cool-Bypass\*
- 13" Flat-Free Tires
- Industrial-strength electric motor with multiple voltage options
- Many options: Time Delay, Auto Start/Stop, LanCom wireless remote control
- EASY!Force Trigger gun — zero effort required

\*Patent US 8,496,188 B2

# HOT

## Hot Water > Electric Powered > Diesel/Oil Heated

Simple and affordable with efficient and reliable high-pressure hot water, this series is designed for ease of operation as well as portability. Don't let the simplicity fool you because this series includes all the rugged components you've come to expect in Landa products, including a diesel burner matched up with our long lasting Dura-Coil. Match the HOT performance and quality specifications up against any of our rivals, and you will quickly discover the value is undeniable!

- Belt-Drive and Direct-Drive Pumps with 7-year warranty
- Burner mounted on the end for easy access; industrial-strength motor
- 13" Flat-Free Tires
- Optional hose reel platform
- Optional caster wheel kit for easy maneuverability
- EASY!Force Trigger gun — zero effort required

## ENG

### Hot Water > Electric Powered > Natural Gas or LP Heated

Landa offers the ENG with an even more compact footprint than the 15/20 HP models. Even with a smaller frame, this ENG provides the ultimate in cleaning action, and includes many of the same great features as its larger counterpart. Small in size but big on innovation and quality, the ENG series provides a lot of bang for the buck!

- Compact footprint packs a lot of cleaning ability into a small space
- Patented Cool-Bypass\*\* helps to extend the life of the pump
- Tru-Tite belt tensioning system helps to extend the life of the belt
- Optional LanCom Remote allows users to continue working without having to run back and forth to the machine
- EASY!Force Trigger gun — zero effort required

# ENG

## Hot Water > Electric Powered > Natural Gas or LP Heated

If you're tight on space but have big cleaning needs, Landa's patented\* ENG is the perfect machine for you! There isn't a more compact natural gas pressure washer on the market. The ENG packs a ton of features into an incredibly tiny footprint. Start with Landa's patented Cool-Bypass\*\* system that keeps the water temperature low while the machine is in bypass mode, extending the life of the pump. Other innovative features include Landa's Tru-Tite belt tensioning system, which relies on a spring-loaded idler arm to keep the belt aligned and tensioned, reducing wear and tear on the belt; and the Fielder's Choice system, which allows you to switch the inlet/outlet connections from one side to the other, adding versatility and making installation a breeze.

- Compact footprint packs a lot of cleaning ability into a small space
- Patented Cool-Bypass\*\* helps to extend the life of the pump
- Tru-Tite belt tensioning system helps to extend the life of the belt
- Optional LanCom Remote allows users to continue working without having to run back and forth to the machine
- EASY!Force Trigger gun – zero effort required

# PRESSURE WASHERS

## VHG

### Hot Water > Electric Powered > Natural Gas or LP Heated

Compact but heavy duty, this natural gas model's footprint is a mere 24" x 53" for the smallest unit, making it an ideal choice for congested work areas or wash bays where space is at a premium. The small size makes it no less efficient; with cleaning power up to 3000 PSI and 4.8 GPM, this machine delivers enough cleaning action to tackle a variety of challenges, and includes an optional wireless remote control. The VHG is especially adept at cleaning and maintaining the appearance of the dirtiest fleet or construction equipment.

- Belt-Drive Landa Pump with 7-year warranty
- Patented Cool-Bypass\*
- Smart control provides control over run time, auto start/stop and shutdown functionality
- Optional wireless remote allows users to work up to 300 feet away
- EASY!Force Trigger gun — zero effort required

## VHP

### Hot Water > Electric Powered > LP Gas Heated

Looking for a heavy-duty pressure washer that can handle the dirt and grime indoors and out? Then the versatile VHP is the right machine for the task. Available in both 120V and 230V configurations, this hot water pressure washer features cleaning power up to 2.5 GPM and 2000 PSI. And, since the VHP is built with tubed pneumatic tires, this heavy-duty series delivers power wherever the job takes you. It is designed for vapor type propane only.

- Belt-Drive Landa Pump with 7-year warranty
- Four tubed pneumatic tires provide excellent maneuverability
- Extra-durable heating coil is made of leak-free, cold-rolled, Schedule 80 steel pipe and features a five-year warranty
- Features a rugged 10 gauge steel chassis with polyester powder coat finish
- EASY!Force Trigger gun — zero effort required

## EHW

### Hot Water > Electric Powered > Electric Heated

The perfect choice for in-plant cleaning, this series couldn't be easier to operate – just plug it in and get hot water! The lack of combustible fuels or hazardous fumes makes it safe to store under the stairs or in a closet. The heating coil is uniquely designed for immersion in a tank of hot water for reduced maintenance needs, and a layer of oil floating atop the water assists in heat retention and prevents evaporation. The EHW is enclosed in a stainless steel cabinet and mounted on a platform, and can be fitted with our LanCom wireless remote system, time delay shutdown, and other labor saving options. Generating no fumes or noise, and easy to store, you'll wonder why you didn't choose this unit for your indoor cleaning needs ages ago!

- Creates instant hot water without an open flame, combustible fuel or hazardous fumes, making it ideal for in-plant cleaning
- Belt-Drive Landa Pump with 7-year warranty
- Time delay shutdown allowing operator to adjust from 2-10 minutes
- Optional LanCom Remote allows users to work up to 300 feet away
- EASY!Force Trigger gun – zero effort required

# MHC

## Hot Water > Gasoline Powered > Diesel/Oil Heated

With a rugged frame, stainless steel top wrap, and 13" flat-free tires, the MHC is both durable and portable, and easy to maneuver over flat surfaces and around corridors and hallways. The control panel is strategically located, allowing you to easily adjust the thermostat and hour meter depending on your needs. A technologically advanced engine-and-regulator combination eliminates the need for a battery or electrical connection, making it a convenient and versatile on-site choice for keeping your restaurant, resort, spa, or hotel clean and inviting!

- Direct- or Belt-Drive Landa Pump with 7-year warranty
- Stainless steel top wrap
- 13" Flat-free tires and a wheel brake for added stability
- Optional caster wheel kit for easier maneuverability
- Optional Cool-Bypass\*
- EASY!Force Trigger gun — zero effort required

## PGDC

### Hot Water > Gasoline Powered > Diesel/Oil Heated

Using a 12-volt DC burner assembly offers a rugged skid frame with robust cleaning performance specifications at an economical price. This self-contained workhorse can tackle virtually any outdoor cleaning project once you provide the water. An optional wheel kit makes this already versatile machine even more portable, allowing for easy transport on-site. With a reliable Honda or Vanguard gasoline engine, this machine can provide hours of continuous worry-free cleaning power.

- Heavy-duty Honda or Vanguard engines with keyed electric start
- Belt-Drive Landa Pump with 7-year warranty
- Stainless steel top wrap
- Safety features include a rupture disk, thermal pump protector, and high-temperature shutoff to guard against buildup of excessive heat or pressure
- EASY!Force Trigger gun — zero effort required

# PGHW

## Hot Water > Gasoline Powered > Diesel/Oil Heated

There is a reason this model has been our most popular skid unit for over two decades – classic rugged design with a compact footprint. Whether you drop this into the bed of a pickup or mount on a custom trailer, this gasoline-powered machine is meant to travel to wherever the dirt and grime needs to be attacked. With models capable of delivering up to 5 gallons of water per minute and up to 5,000 pounds per square inch of surface pressure you can choose a model tailor fit for your individual cleaning application. You will find this model a favorite among contract cleaners, facilities managers, municipalities, and oil field service companies because it delivers solid performance and unmatched reliability.

- Belt-Drive Landa Pump with 7-year warranty
- Industrial-duty gasoline-powered engine with overhead valves
- Rugged 1½-inch square tube open-air frame with forklift guides
- Rust-free float tank provides backflow protection
- Inlet detergent injection applies soap while washing in high-pressure mode
- EASY!Force Trigger gun – zero effort required

## PDHW

### Hot Water > Diesel Powered > Diesel/Oil Heated

This series fills the gap for those who are looking for the versatility of a compact pressure washer with the ruggedness and cleaning power of a full-size skid unit. It's packed with features and options that make it highly adaptable for use in a variety of different applications. You'll find a 2,900-watt generator that provides plenty of power for the burner, as well as a 120V outlet for low-wattage needs; forklift guides for easy transporting, mounting brackets to attach to a trailer, and an oversized, tilt-out fuel tank that'll assure you have hours of uninterrupted cleaning. A sturdy steel frame is available in a polyester powder coat finish for added weather protection, or all-stainless steel for the ultimate insurance in high corrosion environments, making this unit the ideal choice for an offshore oil drilling operation. Highly versatile and built with the same attention to quality you've come to expect from Landa, the PDHW is a great all-around "mid-size" choice for all your cleaning needs!

- Industrial-duty Kubota diesel engine with keyed electric start
- Belt-Drive Landa Pump with 7-year warranty
- High-efficiency 12V burner on some models
- Conveniently placed control panel features indicator lights and hour meter
- Optional wheel kit, hose reel platform, spark arrestor, and lift/stack platform
- EASY!Force Trigger gun — zero effort required

# SLT

## Hot Water > Diesel or Gas Powered > Diesel/Oil Heated

The SLT is a beast and is the go-to pressure washer for many workers in the mining, drilling and fleet industries. It has no problem taking on stubborn grime and grease. With its most powerful model reaching cleaning conditions of up to 8.0 GPM and 3200 PSI, the SLT has the ability to reach hot water temperatures of up to 200°F. Its unique stainless steel coil top wrap offers protection, while its oversize vibration isolators help to cushion the engine and pump platform. With extra-large heating coils and fuel tanks, there's no wonder why the SLT is the preferred cleaning machine by so many industrial professionals.

- Powered by either a diesel Kubota engine or gasoline Honda engine
- Belt-Drive Landa Pump with 7-year warranty
- Delivers enough water flow to operate two spray guns at the same time
- Oversized vibration isolators reduce engine-pump vibration
- Pre-plumbed for drawing water from an auxiliary tank
- EASY!Force Trigger gun — zero effort required

## SLX

### Hot Water > Diesel or Gas Powered > Diesel/Oil Heated

As large and powerful as they come, the SLX makes easy work of the most stubborn grime and grease, making it ideally suited for the harsh conditions of mining and drilling operations and fleet cleaning. The SLX is the biggest portable pressure washer in the industry, capable of delivering water as hot as 200°F; with up to 9.2 GPM, there is enough flow to support dual-gun operation. A distinctive stainless steel coil top wrap offers protection, and oversize vibration isolators cushion the engine and pump platform. With extra-large heating coils and fuel tanks, these rugged machines will deliver, even under the dirtiest of conditions.

- Especially suited for harsh conditions and fleet cleaning
- Powered by either a diesel Kubota engine or gasoline Honda engine
- Belt-Drive Landa Pump with 7-year warranty
- Delivers enough water flow to operate two spray guns at the same time
- Oversized vibration isolators reduce engine-pump vibration
- Pre-plumbed for drawing water from an auxiliary tank

# ECOS

## Hot Water > Gasoline Powered > Diesel/Oil Heated

If you're looking for a "green" solution to wash water disposal, Landa's patented\* and revolutionary ECOS Mobile Wash and Reclaim System should be right up your alley. This environmentally friendly, patented mobile wash system combines a hot water pressure washer with a wash water recovery and filtration system atop a trailer unit, making it simple to dispose of the gray wash water from your pressure washing operation, or recycle and reuse it. You'll be in compliance with most municipal regulations, and will be doing your part to help conserve our precious natural resources. Contract cleaners, municipalities, and ports can all benefit from the addition of an ECOS mobile wash system to their stable of equipment.

- Four polyethylene water tanks provides 400 gallons of cleaning water
- Locked compartment includes dual fuel tanks for gas engine and diesel burner, and includes space for two detergent buckets
- Solution to wastewater disposal problems, captures, filters and recycles wash water for continuous use
- EASY!Force Trigger gun — zero effort required

## TR Trailer

TR-3500 Single Axle Trailer

TR-6000 Tandem Axle Trailer

Tool box shown is no longer available on this unit.

### Hot Water > Diesel or Gas Powered > Diesel/Oil Heated

On-site cleaning often requires the use of heavy, bulky equipment that isn't always easily transportable. Landa offers a pair of rugged, top quality trailer-mounted wash systems to ease your burden. Available with a dual-axle or single-axle trailer, the TR features 2-by-3 inch structural tubing, standard electric brakes with break away kit, recessed electrical wiring and taillights, 1,000 lb. swivel jacks with ball couplers for quick and easy hookups, a durable steel cage for holding the equipment in place, 15" white spoke wheels, and a powder-coated epoxy finish to protect against the weather. Both are completely customizable: you'll choose a portable, industrial-grade Landa hot water pressure washer, and select the options and accessories best suited to your cleaning needs, including chrome wheels, brake kits, and hose reels.

- Single or tandem axle, customizable hot water pressure washer trailer
- 200 or 230 gallon white high-density polyethylene water tank
- Powder-coated epoxy finish to help against the outdoor elements
- Optional mounting kits available for SLT, PGHW, PGDC and MHP
- Optional hose reel kits hold up to 200 feet of 3/8-inch high pressure hose
- Standard electric brake kits or optional hydraulic breaks

# TRV Trailer

## Hot Water > Diesel or Gas Powered > Diesel/Oil Heated

When your business is mobile in nature and you're shuttling often between job sites, you'll want the convenience of a portable washing system that allows you to easily transport your cleaning equipment virtually anywhere. Landa's TRV fills that niche beautifully, providing you with a rugged trailer with a heavy-duty chassis, sturdy wheel and axle assembly, 15" white-rimmed wheels, 1,000 lb. swivel jack for maneuvering your unhitched trailer, and a powder-coated epoxy finish for protection against the elements. The trailer is fully customizable — simply choose from five series of portable, industrial-grade Landa hot water pressure washers, add the options and accessories you want, and you're in business! The TRV is an ideal solution for contract cleaners and those with versatile cleaning requirements.

- Single axle, customizable hot water pressure washer trailer
- 200 gallon white high-density polyethylene water tank
- Powder-coated epoxy finish to help against the outdoor elements
- Optional mounting kits available for PDHW, PGHW, PGDC, MHC and MHP
- Optional hose reel kits hold up to 200 feet of 3/8-inch high pressure hose
- Optional surge brake
- Standard electric brakes and break away kit

# High Flow Series

## High Flow Cold Water > Gasoline Powered

Our High Flow Series features up to an 8.0 GPM flow rate and 3500 PSI to blast through the toughest jobs on farms and construction sites, perfect for waste and debris removal. Our rugged and economical cold water pressure washer features a high-quality triplex pump and is equipped with a Honda engine for quiet, reliable performance, and a corrosion resistant, stainless steel frame. Three gas models allow you to find the right machine for your needs and the flat-free tires allow for easy maneuverability. We have a kit to convert your High Flow to a skid for stationary use or for mounting on a vehicle. All models equipped with a 50' hose, a chemical injector and 12V battery.

Optional

Optional

- Belt-drive
- Reliable Honda GX engine with three-year warranty
- Modular design - change to stationary unit with optional skid feet kit
- Flat-free tires and steel cage
- Optional 100' hose reel available
- Machine will fit up to a 100' hose reel

# HD Gas

## Cold Water > Gasoline Powered

Compact and corrosion-resistant, the HD Gas aluminum pressure washers have a durable weldless, modular frame that can be utilized as a cart or converted to a skid (optional) for maximum cleaning versatility and durability. Easy to maneuver with puncture proof, flat free tires. These reliable Honda powered pressure washers offer a bypass loop for additional pump protection, as well as a 7-year warranty on the oil end of the pump. The simple design of the HD Gas helps get the job done quickly and without hassle.

NOTE: Skid feet sold separately.

## MP

### Cold Water > Gasoline or Diesel Powered

With a variety of available engines delivering up to 5000 PSI, there is no other cold water pressure washer on the market with such versatility and blasting power as these series offer. Portable and rugged, they come equipped with a high-impact steel roll cage or stainless steel frame as well as flat free tires for easy all-terrain maneuverability, making them excellent choices for tackling a variety of cleaning sites.

Diesel model HD 3.4/30 D Cage - optional hose reel

- Powered by a Honda or new Kohler gas engine (on HD 3.4/30 D Cage)
- Belt-Drive Landa Pump with 7-year warranty
- Rugged roll cage and 10-gauge steel chassis for MP models and corrosion-resistant stainless steel frame for D Cage model
- 5-Gallon fuel tank provides up to 5 hours of continuous cleaning
- EASY!Force Trigger gun — zero effort required

## PG

### Cold Water > Gasoline Powered

Landa's flagship series of cold-water pressure washers, the PG is the most popular machine for everyday use in a variety of industrial cleaning applications. Each has a rugged chassis, 13" tires for easy maneuvering over all types of terrain, and shock absorbing, spring-loaded rubber feet to cut down on vibration. Handles on the front and back are easy to grip, so you won't have a problem loading or unloading these machines.

- Powered by a Honda or Vanguard gasoline engine
- Belt-Drive Landa Pump with 7-year warranty
- Rugged 10-gauge steel chassis protected with weather-resistant epoxy powder coat paint
- Two spring-loaded rubber pad feet help to prevent unit from "walking"
- EASY!Force Trigger gun — zero effort required

## PC

PC4-35324

### Cold Water > Gasoline Powered

Like the PG models, the PC cold-water pressure washers offer an array of options and features for cleaning multiple surfaces, but utilize direct-drive instead of belt-drive pumps. Each comes equipped with 50' of Landa's durable wire-braid high-pressure hose, and a thermal pump protector to prevent overheating while in bypass mode. Shock-absorbing rubber feet reduce vibration and prevent movement during operation, and handles on the front and back make these machines a breeze to load and unload.

- Up to 3.8 GPM, up to 4000 PSI
- Powered by a Honda gasoline engine
- Direct-Drive Landa Pump with 7-year warranty
- Rugged 10-gauge steel chassis protected with weather-resistant epoxy powder coat paint
- Two 10-inch, 4-ply, tubed pneumatic tires make for easy maneuvering

## HD Electric

### Cold Water > Electric Powered

Designed for versatility, the HD Electric carts are corrosion-resistant aluminum pressure washers that easily convert from a cart to a skid for maximum cleaning agility and durability. These reliable pressure washers have a low profile handle and compact footprint, making them easy to maneuver. They also offer a bypass loop for additional pump protection, a 7-year pump warranty and flat-free tires. All models are ETL certified to UL safety standards.

NOTE: Skid feet sold separately.

- Durable, corrosion resistant aluminum frame
- Modular design - weld free frame easily converts from cart to skid
- VRT3 Unloader with bypass loop - pump protection
- Flat free tires
- Commercial-duty crankcase pump
- ETL certified to UL and CSA standards

## PE

### Cold Water > Electric Powered

The PE is one of our most popular machines for everyday use in a variety of industrial cleaning applications. Only the highest quality components are used on the PE, including our tri-plex high-pressure pump with 7-year warranty, industrial-duty motor, durable steel frame with welded seams, and a stainless steel point and shoot wand for cleaning effectiveness. In addition to being certified to the rigid UL-1776 safety standards, the PE has a 24-inch hose guard for burst protection and tri-lingual operating instructions for owner liability assurance. A number of features make the PE especially popular with users who seek to reduce their cleaning time, such as handles on both front and back for easy vehicle loading. The pneumatic tires make for easy maneuvering, and two shock absorbing, spring-loaded rubber feet to keep the PE from "walking" while in operation.

- Belt-Drive Landa Pump with 7-year warranty
- Industrial-duty motor
- Rugged 10-gauge steel chassis protected with weather-resistant epoxy powder coat paint
- Two spring-loaded rubber pad feet help to prevent unit from "walking"
- EASY!Force Trigger gun — zero effort required

## SEA

SEA - Stainless Steel

SEA - Mild Steel

### Cold Water > Electric Powered

This top-of-the-line stationary cold-water series features a heavy-duty stainless steel or mild steel cabinet and comes standard with an insulated variable pressure wand, 50' of hose, and time delay shutdown. Available options include our LanCom wireless remote control, floor stand, and wall mount bracket assembly. There is even an optional wheel kit for adding mobility, making an already top-quality machine even more flexible than before. This unit is ideal for cleaning a variety of indoor surfaces, and can be plumbed for plug-and-wash outdoor applications as well.

- Belt-Drive Landa Pump with 7-year warranty
- Easily accepts hot water up to 185°F
- Optional LanCom Remote allows users to work up to 300 feet away
- Hour Meter Standard on Mild Steel Models only
- Optional wheel kit
- EASY!Force Trigger gun — zero effort required

## Cold Water > Electric Powered

With a variety of available motors delivering up to 5000 PSI, there is no other cold water pressure washer on the market with such versatility and blasting power as these series offer. Portable and rugged, they come equipped with a high-impact steel roll cage and lifting bar and four 13" flat-free tires for easy all-terrain maneuverability, making them excellent choices for tackling a variety of cleaning sites. They include 50' of high-pressure hose rated up to 6000 PSI - more than enough for removing the toughest dirt and grime from your equipment.

- Up to 5.0 GPM and 5000 PSI
- Belt-Drive Landa Pump with 7-year warranty
- Rugged roll cage and 10-gauge steel chassis protected with weather-resistant epoxy powder coat paint
- Lifting bar for easy maneuverability
- Flat-free tires

## ZE/ZEF

ZE2-11026D

ZEF2-14024D

### Cold Water > Electric Powered

And when it comes to convenience, our ZE/ZEF series can't be beat. This tough handheld unit is designed specifically for cleaning in tight quarters. The ZEF comes standard with a remote on/off switch and Auto Start/Stop. An optional wall mount and wand holder kit is available for those shops where space is at a premium. An extra set of illustrated operation and warning stickers can be placed at eye level, ensuring the safety of all employees in your plant. While it is an excellent choice for cleaning indoor work areas and equipment, its industrial-strength motor and rugged frame make it an effective choice for outdoor jobs, as well.

- Direct-Drive Landa Pump with 7-year warranty on ZEF
- Direct-Drive axial pump with 1-year warranty on ZE
- Auto Start/Stop comes standard on ZEF
- Remote wall switch with 10-foot electrical cord supplied with each ZEF for convenience in turning on the unit at a wash station separated from the unit
- EASY!Force Trigger gun — zero effort required

# Hot Water Generator

## Compact, portable hot water generators

Add hot water cleaning economically. Durable and reliable design for attaching to a cold water pressure washer. Our Compact Mobile Series water heaters provide supplemental heat to cold water machines, giving users the benefit of hot water cleaning when it's needed and the convenience of the portable cold water washer. Effectively heats water at a rate of up to 5 gallons per minute.

**Model 5.0/30 Ed**

**Model Hot Box**

- Heater add-on for cold water pressure washers
- Effective heating of up to 5 GPM
- Heavy-duty, steel cabinet protected by an epoxy powder coat finish
- Portable, compact size

# Stationary Hot Water Generator Series

## Heating modules that pack a punch

The Stationary Hot Water Generator Series heating modules offer the flexibility to “convert” a cold water pressure washer into a hot water unit. By attaching the heating module to a cold water pressure washer the pressurized water is now heated to produce all the benefits of hot water cleaning. The four models use fuel oil, diesel or natural gas to heat the water using high-efficiency, vertical heating coil. All models are equipped with a flow switch to control the burner.

Fuel burner types available:

- Diesel
- Kerosene
- Home Heating Oil
- Natural Gas
- LP Gas (optional)

Model 9462

Model 9452

- Heater add-on for cold water pressure washers
- Effective heating of up to 10 GPM
- Heavy-duty, steel cabinet protected by an epoxy powder coat finish
- Flow switch for burner control
- Great for food processing, oil field and trucking applications

## Siphon muddy waters away

Stop wash water from flowing down a drain or away from your area by collecting the wastewater from pressure washing. As EPA laws become more prevalent and strive to conserve water quality, contract cleaners and construction sites will need to recover their wash water and runoff. Eliminate the problem with the MWP Recovery series which is capable of recovering and transferring up to 30 gpm of water and transferring to a holding tank. Its small footprint allows the MWP to be mounted on a trailer. Be fully in control of water flow with the optional water dikes and drain covers to stop water from flowing down a drain or away from your site. Comes standard with 50' feet of vacuum hose and a scupper head.

- 3 Stage Vacuum Motor delivers 100 CFM, 100" sealed lift vacuum with simple curbside controls for easy use
- Rated for water up to 120°F and compatible with hot water machines
- Bolt-on mounting system configured on the base to mount to a trailer for portability from site to site or optional caster wheel kit
- Drain port and filter basket work together to keep sludge from clogging

# Professional Floor Care

# KM 70/20 C

**Superior performance with manual power.**

Speedy sweeping and painless maintenance rolled into one convenient package. These sweepers provides superior sweeping performance in a compact manual push sweeper. It is built to be rugged and durable for long life.

### Features

- Cleans paths, sidewalks and warehouses quickly and conveniently
- Main cylindrical brush is driven by both wheels so that it sweeps equally well in either right or left turns
- Rugged metal pinion drive for long life
- Durable design
- Height of cylindrical brush can be easily adjusted in five positions by a knob on the handle

## KM 70/30 C BP ADV

### Efficient sweeping on hard or soft floors.

Fast and efficient for sweeping indoors or outdoors—on hard floor or carpet for those that need to get the job done right the first time. Rely on this sweeper to make quick work of any sweeping needs with its highly productive electronic driven broom. It also features active dust control for optimum air quality. User-friendly features such as an easy adjust broom height and an adjustable handle height make this a popular machine with those who use it.

### Features

- Delivers fast, efficient sweeping for hard and soft floor surfaces
- 28 inch cleaning path
- For a wide range of applications indoors and outdoors, with a particularly quiet battery drive system at 69 dBA
- Features Active Dust Control with a separate fan and flat pleated filter for dustless sweeping indoors
- Simple adjustment of the main cylindrical broom and side broom

## NT 30/1 Tact TE

**Stronger and sturdier than ever.**

This powerful vacuum cleaner picks up coarse dirt and liquids as well as large quantities of fine dust. Tact, the fully automatic cleaning system, cleans the filter with strong air blasts. It is ideal for long periods of uninterrupted use and constant high suction power. It is fully compliant with OSHA silica dust regulations.

### Features

- Blasts of air clean the filter resulting in lower maintenance costs and a longer filter life ultimately saving you money
- On-board storage for all accessories, includes two hooks for the suction hose and power cord
- No filters to install or remove
- Bayonet and clip connections guarantee easy and secure connection of all accessory parts to the vacuum

## NT 68/1

### Utility with ease.

Easily tackle medium to large jobs with this wet/dry vac. Designed with a robust 1.8 hp vac motor to handle any task you throw at it. If even more productivity is desired, the optional front mounted squeegee makes quick work of water recovery. Thoughtful features such as no-tipping dumping and on-board storage make this the operator's choice for wet/dry vacs.

### Features

- Optional front-mounted squeegee offers more productive water pick-up
- 18 gallon capacity offers easy mobility for medium to large jobs
- Complete with on-board tool storage compartment with safety sign storage bracket
- Self-adjusting squeegee assembly

## BR 35/12 C BP

**The race is always won in the corners.**

Thanks to our innovative steerable scrub deck, the BR 35/12 C Bp can clean up to the wall at a 90° angle. It can also clean in reverse, or in any direction. The height-adjustable, telescoping steering column allows optimal ergonomics for any operator. The folding steering column also makes it easy to secure for transport.

### Features

- Steerable scrub deck allows for scrubbing in any direction
- Brush height is adjustable for multiple floor types
- Ecoefficiency mode increases operating time by 50%, and reduces noise by 40%

# BD 38/12 C BP

## Steer your way to cleaner floors.

Think of the BD 38/12 as a 15 inch disc version of the popular BR 35/12. The design allows for the easiest driving of a walk-behind disc scrubber on the market. The squeegee follows behind the disc to ensure 100% solution pickup even through the corners.

## Features

- Extremely agile for efficient cleaning of small and furnished areas
- Easy to use — scrub right up to the wall
- Quick charging lithium-ion battery
- Very compact, light and easy to transport and roll over steps.
- Reduced operating noise level for noise sensitive areas

## BD 50/50 C BP

### Professional cleaning, now made easier.

This economically-designed scrubber provides you all the cleaning power to take on large jobs—perfect for retail environments, schools and health care facilities.

### Features

- Three cleaning modes for any operator to get the job done right
- The slim design allows you to see in front of the scrubber easier
- Home Base kit allows for carrying essentials on the machines, for less visits to the supply closet

## B 40 C/W BP

Quiet, compact and customizable.

We built this machine to be easy to operate, safe and easy to maintain. Our Kärcher Intelligent Key (KIK) and our advanced EASY operation are some of the many reasons why the B 40 W family offers a full spectrum of safety and protection for operators, machines and your floors.

### Features

- 100% control of the speed of your scrub brushes allows you to balance scrubbing power, noise levels and power consumption
- Chose disc and cylindrical decks from 17 to 22 inches
- Decks can be changed quickly and without tools

## B 150 R BP

### Race into efficiency with the B 150.

The B 150 R can cover up to 64,580 ft<sup>2</sup>/hr making this one impressively productive scrubber. Although it can cover large areas quickly, we made sure that it has great visibility for safety. Our KIK operating system and the color coded controls make operation simple and intuitive. KIK allows managers to control what functions and settings their employees can use and adjust.

### Features

- Clean ramps with grades up to 18%
- Features a unique all-wheel brake system for safety
- Utilize the large color LCD screen to adjust everything to your needs including contact pressure, water volume, brush speed, etc.
- Auto tank-rinsing and auto-fill come standard to allow the operator to do other tasks while rinse and fill are taking place

## B40, 60, 80 W BP & B150 R BP Cleaning Heads and Brushes

D-Series  
Disc Heads

R-Series  
Cylindrical Heads

S-Series  
Vibration Heads

We offer three different scrub decks to suit your unique needs. The three types R (cylindrical), D (disc) or S (vibration) each have their specific advantages. Disc decks are ideal for everyday scrubbing. Cylindrical heads are ideal for stubborn dirt or uneven surfaces. The S heads are very efficient at stripping of floors. No matter your need, Kärcher has you covered.

## SG 4/4

### Hygienically clean without chemicals.

Time is money—particularly in commercial cleaning. The SG 4/4 steamer has an ingenious two-tank filling system allowing for continuous use. Steam cleaning can impressively remove up to 99.999% of bacteria without chemical. It is also ideal for cleaning kitchens and grout.

**KILLS 99.999%\* BACTERIA  
WITHOUT CHEMICALS**

**CERTIFIED  
DISINFECTION**

### Features

- Our unique two-tank system allows for continuous use
- Very little time is needed to heat up the unit
- Control the level of steam
- Switch to pressurized hot water to remove stubborn dirt
- Only water is used by the SG 4/4 to save you money and to improve the health of users and guests

# SG BP Gum Remover

**Turn up the heat on gum removal.**

The Kärcher SG1 Bp is a portable gum remover. Powered by a single lithium ion battery, this gum remover is quiet and offers up to 4 hours of uninterrupted operation. Gum is removed in 4-6 seconds, and it is safe to use on stone, concrete and even carpet. Great for maintaining shopping malls, schools, train stations, airports, hotels, hospitals, restaurants and supermarkets.

## Features

- Low pressure fuel canisters are designed to ensure delivery of proper fuel volume and safe operation
- No cords ensures safety and convenience
- No harsh residue—safe on all surfaces

## AB 84 CUL

**Reduce carpet drying times by up to 50%.**

Powerful enough for any job yet economical enough to not break the bank; rely on the AB 84 CUL as your air blower of choice. If you have wet floors or carpet, dry your facility up to 50 percent faster so you can resume to business-as-usual sooner. This economical unit features three speeds, as well as three different vertical standing positions so you can direct air anywhere you need to. The powerful 3,000 cfm air movement promotes rapid drying in no time.

### Features

- Upright handle and transport wheels for safety and convenience
- Three speeds of air movement for every type of job
- Maximum air movement of 3,000 cfm for rapid drying of carpeted and hard floors
- Sturdy four point motor mount to withstand heavy use and rough handling
- Built-in carpet clip for flood restoration jobs

# CV 300

## The sanitary choice that lasts.

Many of our competitors sell low-cost upright vacuums, the only problem is that they fall apart quickly and then you are left with another broken vac to toss in the dump. If you are tired of throwing away your money then consider our CV 300 upright vacuum. The CV 300 provides power, reliability, and clean air quality all for a price that will not break the bank. This model features a traditional non-steerable joint between the base and the body for ergonomics and all-day usability.

## Features

- CRI approved for cleaner, healthier carpets
- Built to last for years. The reliable, affordable upright vac
- Innovative, articulating head for superior maneuverability
- Powerful dual motor upright vacuum
- High quality three step filtration for optimum air quality

## EB 30/1

### The quick clean-up tool.

This ultra-quiet and compact sweeper is perfect for quick clean-ups in busy and crowded areas. The rechargeable battery pack ensures safety by eliminating trip hazards. It's built to handle small cleaning jobs in professional working environments.

### Features

- Cordless electric sweeper designed for commercial applications
- Optional high-speed battery charger available for complete charging in 50 minutes
- Flexible and professional interim clean-up
- Powerful, rechargeable battery provides for up to 45 minutes of operation on hard surface, and up to 30 minutes on carpet
- Extremely quiet operation - for use in noise sensitive areas
- Innovative universal joint with parking position

# BDS 51/175 C

**Strong, solid and robust operation.**

The BDS 51/175 C floor machine is a high quality, durable unit that offer powers and versatility for scrubbing and stripping. It features an adjustable handle to accommodate various user heights and five inch non-marking wheels to allow easy transportation. This machine is available in single-speed or dual-speed.

### Features

- Robust motor for everyday reliability
- Separate start and run capacitors for durability
- Cord strain relief to keep cord from breaking or tearing
- Strong and solid handle housing for trouble free operation

# Detergents

## General Purpose

General Purpose Cleaners: General Purpose and Floor Cleaners. Designed for daily cleaning of facility surfaces, tools and floors.

Product Description	pH	Color	Scent	Dilution	Foam	Hardness 1-5	Phosphate Free	Size	Part #	List Price
General Purpose Cleaner	10.2	purple	slight	1 : 128	low	5	■	5 Gal	8.719-145.0	\$71.00
General Purpose Cleaner is a blend of ingredients formulated to provide a low-foaming detergent for safe removal of dirt and grime off a broad range of surfaces. It is formulated to pass through a pressure washer without damaging the high-pressure pump. This formula is ideal for power washing around a home or shop, including exterior walls, decks, driveways, and roofs. It is also effective in cleaning machinery, equipment, cars, RVs, and trucks. It is safe for cleaning indoors or outdoors.								55 Gal	8.906-714.0	\$640.00

## Automotive

Products designed specifically for soil conditions found on cars, vans and specifically vehicles with fine paint finishes. Effective and safe, phosphate free.

Product Description	pH	Color	Scent	Dilution	Foam	Hardness 1-5	Phosphate Free	Size	Part #	List Price
Auto Wash	10.2	purple	slight	1 : 128	low	5	■	5 Gal	8.698-185.0	\$55.50
Auto Wash is a blend of ingredients formulated to provide a low-foaming detergent for safe removal of dirt and grime found on most vehicles. It is formulated to reduce water spots caused by hard water leaving a higher shine than most products. Auto Wash can pass through a pressure washer without damaging the high-pressure pump and is safe to use on aluminum, stainless steel, glass, plastic, paint and fine automotive finishes.								55 Gal	8.698-186.0	\$517.00

## Vehicle

Detergent and care for both Automotive and Fleet use. Safe for both, non phosphate and superior results.

Product Description	pH	Color	Scent	Dilution	Foam	Hardness 1-5	Phosphate Free	Size	Part #	List Price
Vehicle Wash and Wax Detergent	12.9	blue-green	floral	1 : 150	high	5	■	5 Gal	8.698-172.0	\$81.00
Vehicle Wash and Wax Detergent saves you time and money when you clean and protect in one step. Good for autos and trucks and safe on any finish. Superior performance in hard water leaving a shine with a spot free rinse.								55 Gal	8.698-173.0	\$764.00
Vehicle Wax	5.3	straw	musk	1 : 2000	non-foaming	1	■	5 Gal	8.907-394.0	\$232.00
Added at the final rinse, Vehicle Wax is a long-lasting liquid wax that creates a durable finish that improves a vehicle's appearance and helps keeps dirt from adhering to the surface. It gives added protection against salt, air pollution and acid rain and can be used safely on virtually every surface, including aluminum, stainless steel, glass, plastic, paint and fine automotive paint finishes.										
Vehicle Pre-Soak	12.8	blue	citrus	1 : 60	high	4	■	5 Gal	8.698-223.0	\$108.00
Vehicle Pre-Soak is used to remove stubborn soils like bugs, tar, oil and grease deposits on vehicles. It's applied before washing in order to penetrate and break up soils and washed away when the rest of the vehicle washing is done. The more time you allow to soak, the less scrubbing is required. Vehicle Pre-Soak is safe to use on fine auto finishes and strong enough to work on transportation fleet vehicles.								55 Gal	8.698-224.0	\$1,045.00
Vehicle Tire and Rim Cleaner	12.9	colorless, clear	detergent	RTU	high	3	■	12 x 1 Qt	8.698-226.0	\$101.00
Vehicle Tire and Rim Cleaner is a fast and easy way to deep clean the black rubber, road film and brake dust soils from your tires and rims. Simply spray, wait and rinse. This product should be used to clean tire and wheels before adding tire dressing. Make tire dressings look better and last longer. Safe to use on all tires. Safe for steel and aluminum wheels, including coated wheels.										

# DETERGENTS

## Fleet

Detergent and care for both Automotive and Fleet use. Safe for both, non phosphate and superior results.

Product Description	pH	Color	Scent	Dilution	Foam	Hardness 1-5	Phosphate Free	Size	Part #	List Price
Fleet Wash Detergent	12.9	green	fresh	1 : 150	high	5	■	5 Gal	8.698-168.0	\$71.50
Fleet Wash Detergent is a mild detergent designed for exterior cleaning of trucks, busses, equipment and implements. This special emulsifying formula contains high-powered cleaning agents that are effective on grease, road film and smoke trails. It is excellent as a pre-spray for cleaning engines, whitewall tires and vinyl and metal tops. Fleet Wash Detergent is phosphate-free and outperforms most competitive phosphate products. It is safe to use through a pressure washer. Fleet Wash Detergent can be used on polished aluminum, stainless steel, glass, plastic, and painted surfaces.								55 Gal	8.698-169.0	\$671.00
Heavy Equipment Detergent	12.9	green	fresh	1 : 150	high	5	■	5 Gal	8.698-189.0	\$91.50
Heavy Equipment Detergent is an effective, safe detergent that can be used on any surface. It is excellent as a pre-spray for softening and breaking up dried on or baked on soils like mud, bugs, greasy film, diesel fuel, lubricants. Excellent foaming capability. It is safe to use through a pressure washer and can be used on polished aluminum, stainless steel, glass, plastic, paint. Heavy Equipment Detergent is phosphate-free and outperforms most competitive phosphate products.								55 Gal	8.698-190.0	\$863.00
Fleet Wash Solvent Detergent	9.5	light yellow	citrus	1 : 50	medium	1	■	5 Gal	8.913-772.0	\$207.00
Fleet Wash Solvent Detergent adds the cleaning properties of solvents to boost cleaning capability in order to remove heavy, petroleum-based soils. Citrus-based solvent helps break down these tough soils for fast, efficient removal, saving time and energy. It has the ability to penetrate and break down baked-on hydrocarbon-based soils, like exhaust trails and carbonized grease, yet is safe on most surfaces.										
Fleet Aluminum Brightener	< 1.0	colorless to light straw	sharp	1 : 5 1 : 20	low	2	■	5 Gal	8.907-711.0	\$71.50
Fleet Aluminum Brightener is an extra-strength, acid-based, aluminum cleaner and brightener designed for non-polished aluminum tanks and trailers, aluminum wheels and for preparing aluminum for painting. Do NOT use on glass, polished aluminum or anodized aluminum. Fleet Aluminum Brightener is effective in removing grease, oils, baked-on carbon and diesel smoke. This formula is non foaming.								55 Gal	8.907-712.0	\$697.00
Fleet Trailer Cleaner	1.1	straw	citrus	RTU	medium	4		5 Gal	8.698-174.0	\$88.50
Fleet Trailer Cleaner is a concentrated, non-etching, acid-based detergent formulated to quickly penetrate and remove grease, grime, dirt, road film and welding smut from polished aluminum and stainless steel surfaces. It shines aluminum and stainless by removing the oxidation that makes those surfaces dull looking.								55 Gal	8.698-175.0	\$842.00
Fleet Degreaser	13.5	red / orange	none	1 : 128	medium	5	■	5 Gal	8.698-166.0	\$82.00
Fleet Degreaser is a highly concentrated degreaser designed for petroleum based soils like heavy deposits of oil, grease and dirt as well as axle or fifth-wheel grease, hydraulic oils and diesel smoke stains. Fleet Degreaser is formulated to pass through a pressure washer without damaging the high-pressure pump and is, therefore, safe to use through a pressure washer. It is also safe to use on aluminum, stainless steel, glass, plastic, painted surfaces. Fleet Degreaser is phosphate-free and outperforms competitive phosphate formula products.								55 Gal	8.698-167.0	\$775.00

Product Description	pH	Color	Scent	Dilution	Foam	Hardness 1-5	Phosphate Free	Size	Part #	List Price
Fleet Interior Tank Cleaner	13.7	straw	slight	1 : 30	medium	4	■	5 Gal	8.914-094.0	\$87.00
Fleet Interior Tank Cleaner is a highly concentrated and effective cleaner for the interior of tanks and vessels. Interior tank cleaning may or may not be accessible for manual brushing/scraping. This powerful formula can cut through many layers of soil with high pressure washing and soaking, eliminating the need to enter the tank. It is extremely effective in removing the most difficult-to-clean oil, grease and hydrocarbon-based deposits. It cuts grease, grime, oil, burnt carbon. Do not use on aluminum, magnesium, galvanized metal or fine painted surfaces. It is safe to use through a pressure washer and does not damage the high-pressure pump. This formula is phosphate-free and outperforms most competitive phosphate products. NSF Approved.								55 Gal	8.914-096.0	\$857.00
Fleet Machine and Heavy Equipment Degreaser	13.3	brown	none	1 : 50	high	5	■	5 Gal	8.906-971.0	\$56.50
Fleet Machine and Heavy Equipment Degreaser is an extra-strong cleaner that is ideal for cleaning heavy equipment, over-the road vehicles and off road machinery. It is especially effective cleaning exhaust stains, road grime and heavy deposits of dirt and oil. Fleet Machine and Heavy Equipment Degreaser is phosphate-free and outperforms competitive phosphate products. This powerful formula is not recommended for use on fine auto finishes, aluminum, magnesium and galvanized metal.								55 Gal	8.906-979.0	\$527.00
Concrete Remover	2.2	yellow	sharp	1 : 1	low	3	■	5 Gal	8.698-181.0	\$124.00
Concrete Remover effectively removes concrete splatters and deposits from construction vehicles, equipment, tools and commercial surfaces. Not intended for use on fine automotive finishes. Always pre-test undiluted product in an inconspicuous area, to determine safety and suitability for the intended use.								55 Gal	8.698-182.0	\$1,210.00
Salt and Ice Melt Remover	13.4	dark red	slight detergent	1 : 100	high	5	■	5 Gal	8.698-183.0	\$139.00
Salt and Ice Melt Remover is a combination detergent that removes heavy soil as well as all types of damaging road salt residue. Salt and Ice Melt Remover's unique chelating action breaks down the crystalline structure of ice melt salt and prevents it from crystallizing back on the surface so it can be easily rinsed away with the rest of the dirt. Effective on fine automotive finishes as well as construction equipment, trucks and fleet vehicles.								55 Gal	8.698-184.0	\$1,360.00

## Quick Break Detergents

Products formulated for effective cleaning which separate quickly after washing in order to be accepted into on-site treatment systems.

Product Description	pH	Color	Scent	Dilution	Foam	Hardness 1-5	Phosphate Free	Size	Part #	List Price
Quick Release Detergent	12.8	none	slight detergent	1 : 100	low	4	■	5 Gal	8.720-037.0	\$89.00
Quick Release Detergent is concentrated heavy duty vehicle wash formulated to quickly and effectively remove dirt, grime, grease and road film from vehicles. It is ideal for vehicle wash facilities where it can be used on tractor-trailers, heavy equipment, RVs, trucks, and autos. Quick Release Detergent is formulated to pass through a pressure washer without damaging the high-pressure pump and has an oil-water quick-release surfactant making it ideally suited for use with water treatment systems.								55 Gal	8.720-038.0	\$470.00

# DETERGENTS

## Degreasers

Degreasers are designed to be used on medium to heavy soils that require more aggressive formulation for built up greases and oils.

Product Description	pH	Color	Scent	Dilution	Foam	Hardness 1-5	Phosphate Free	Size	Part #	List Price
Chlorinated Degreaser	12.3	none	slight chlorine	1 : 60	high	4	■	5 Gal	8.698-203.0	\$54.00
Chlorinated Degreaser removes fats, oils and greases typically found in food service and food processing establishments. It's chlorinated formula breaks down stubborn protein soils that contribute to bio-film formation. This formula is safe on stainless steel, aluminum and painted surfaces. NSF Approved.								55 Gal	8.698-204.0	\$496.00
Heavy Duty Brown Degreaser	13.3	dark brown	none	1 : 50	high	5	■	5 Gal	8.698-201.0	\$59.00
Heavy Duty Brown Detergent is for cleaning machinery and equipment to remove heavy daily debris of oil, light grease, sand, mud and road film. This detergent is safe to use on most heavy equipment however, due to its strength to handle heavy soils, it should not be used on aluminum, magnesium or fine paint finishes.								55 Gal	8.698-202.0	\$537.00
Hood and Duct Degreaser	13.7	straw	slight	1 : 30	medium	4	■	5 Gal	8.698-205.0	\$97.50
Hood and Duct cleaner is specifically designed to remove the dangerous build-up of grease in exhaust hoods of food cooking establishments. Through a hot water pressure washer, fast effective removal restores hood and ducts to a clean, safe result. Even carbonized grease. Hood and duct cleaner can be used to pressure wash foodservice grills, fryers, broilers and ovens as well. Routine cleaning is required in most cities and states and also by the insurance industry. NSF Approved.								55 Gal	8.698-206.0	\$956.00

## Industrial

These are our most aggressive products designed to be used in industrial settings like production factories, mining, heavy construction and machine shops.

Product Description	pH	Color	Scent	Dilution	Foam	Hardness 1-5	Phosphate Free	Size	Part #	List Price
Heavy Duty Degreaser	13.3	red / orange	none	1 : 128	medium	5	■	5 Gal	8.907-304.0	\$80.50
Heavy Duty Degreaser is an industrial strength degreaser for cleaning heavy oils and greases, carbon, lubricants and hydraulic fluids found in industrial and manufacturing environments. Heavy Duty Degreaser is formulated to pass through a pressure washer without damaging the high-pressure pump or heating coil. It is also safe to use on aluminum, stainless steel, glass, plastic and concrete. Heavy Duty Degrease is phosphate-free and outperforms competitive phosphate formula products.								55 Gal	8.907-306.0	\$764.00
Industrial Grease and Carbon Remover	13.7	blue	none	1 : 100	high	5	■	5 Gal	8.906-942.0	\$77.00
Industrial Grease and Carbon Remover is heavy-duty degreaser that quickly penetrates and cleans grime, spent oil and grease in a variety of applications, including vehicles, equipment, RVs, drilling rigs, trucks and other structures. This highly-concentrated blend is formulated to wet, penetrate and suspend soil, oils and grease and yet is safe to use indoors or outdoors on virtually every surface, including aluminum, stainless steel, glass, plastic, and painted surfaces.								55 Gal	8.906-949.0	\$723.00
Industrial Oil and Grease Remover	12.3	yellow	citrus	1 : 150	high	5	■	5 Gal	8.698-193.0	\$108.00
Industrial Oil and Grease remover is designed to work on petroleum based oils and greases typically found in factories like cutting oils, lubricants and metal coatings. This product is designed to quickly break up the oils and suspend them in order to rinse easy and prevent them from re-depositing. The result is an oil/grease free surface. Industrial Oil and Grease Remover is engineered to pass through a pressure washer without damaging the high-pressure pump. It is safe to use on aluminum, stainless steel, concrete, glass, plastic and painted surfaces.								55 Gal	8.698-194.0	\$1,045.00

Product Description	pH	Color	Scent	Dilution	Foam	Hardness 1-5	Phosphate Free	Size	Part #	List Price
Metal Paint and Prep Phosphatizer	3.1	none	detergent solvent	1 : 512	low	5		5 Gal	8.914-472.0	\$97.00
								55 Gal	8.914-484.0	\$945.00

Metal Paint and Prep Phosphatizer is a complete and economical phosphatizing agent for the phosphatizing of iron and steel parts prior to painting. Effective in spray, dip and wipe-on applications. Metal Paint and Prep Phosphatizer works well in hard or soft water and rinses completely.

## Building and Maintenance

Products specifically developed for use in building and tool maintenance. Safe to use on materials like brick, siding, stucco, concrete, tile.

## Floor Cleaners

Formulated for general purpose and heavy-duty floor cleaning. For use with floor care equipment (such as scrubbers) only.

Product Description	pH	Color	Scent	Dilution	Foam	Hardness 1-5	Phosphate Free	Size	Part #	List Price
Neutral Floor Cleaner	7.9	light yellow	solvent	1 : 128	low	4	■	4 x 1 Gal	8.698-209.0	\$86.00
Neutral Floor cleaner is formulated for everyday floor cleaning of resilient tile, hard finished floors, polished stone and polished concrete floors. No-rinse formula is designed to remove soil and leave a streak-free finish. Developed for scrubber machines, this formula is non-foaming, phosphate-free and contains ingredients that protect the machine from scale and contaminants.								5 Gal	8.698-210.0	\$104.00
								55 Gal	8.698-211.0	\$1,060.00
Shop Floor Cleaner	13.3	light red, clear	solvent	1 : 128	low	5	■	5 Gal	8.698-207.0	\$101.00
Shop Floor Cleaner is formulated for heavy-duty cleaning of soils typically found in machine shop environments. Lifts and removes petroleum-based grease and oily soils from all types of finished and unfinished concrete, including painted and epoxy-coated floors. No-rinse formula is designed to remove soil and leave a streak-free finish. Developed for scrubber machines, this formula is non-foaming, phosphate-free and contains ingredients that protect the machine from scale and contaminants.								55 Gal	8.698-208.0	\$900.00
Warehouse Floor Cleaner	12.9	blue	solvent	1 : 128	medium	5	■	5 Gal	8.698-212.0	\$98.50
Warehouse Floor Cleaner is formulated for everyday warehouse concrete floor cleaning. Use on finished or unfinished concrete. Safe for polished concrete floors. No-rinse formula is designed to remove dense concrete dust and leave a streak-free finish. Developed for scrubber machines, this formula is non-foaming, phosphate-free and contains ingredients that protect the machine from scale and contaminants.								55 Gal	8.698-213.0	\$972.00
								275 Gal	8.698-214.0	\$4,375.00

# Specials

# 2020 SPECIAL ORDER PRICE LIST

Landa supplements its standard line of hot and cold water pressure washers with an extensive offering of special models configured to meet a customer's unique needs.

All specials fall under two categories:

(1) Price List Specials where no quotation is required; and (2) Special Orders that require a quotation.

## **PRICE LIST SPECIALS: No Quotation Required**

Most special applications can be satisfied by choosing from one of the Price List Special models shown in this price list. All items may be ordered through any customer service representative and do not require a specials quote. Note that lead times for these items are listed in this price list and are subject to change with extended lead times.

These models allow you to add specially configured options to current standard Landa models. Pricing for these units is determined simply by taking the regular equipment price and adding the cost of the option. Some of the items in this price list are former standard models that were made "obsolete" due to lack of demand. The list price for these models may reflect the added costs associated with building a non-standard unit.

## **SPECIAL ORDERS: Quotation Required**

Machine modifications that do not appear in this price list may also be requested. These Special Order machines fall into the category of true hybrid equipment. They are designed and built specifically to meet a customer's unique specifications.

Hybrid specials must go through a complete quote process. The quote will include administrative as well as labor and material costs, such as component costs, engineering time and materials, assembly labor, and order processing costs.

\*Please note that the mission of our Special Order department is to generate timely quotes and manufacture the highest quality in customized equipment. Please avoid using this department for the following:

- Changes to match bid specs on a competitor unit. (Invariably the cost of going through specials will negate the ability to compete on a bid against a competitor's standard model.)
- Remove features or components to lower your cost on the unit.
- Design wholly new equipment that is not currently in the Landa line, unless the quantity is sufficient to recover Landa's engineering costs.

## **How to place a request for quotation to the Specials department:**

1. Go to Infonet at <https://kaercher-infonet.com/us>.
2. From the menu on the top of the home page, select "Sales"
3. From the menu select "Special Request Form".
4. Fill out the form completely and give as many details as possible.
5. Click on the "Submit Request" button at the bottom of this page.
6. We will respond to your quote request within 24 hours with a quote. In cases where the quote requires information outside of our control, we will respond with an updated response time within 24 hours.

Unless otherwise stated, modified machines are not listed with ETL or ETLc certification standards.

Series/Model	Description of Value Added	Lead Time	List Price
--------------	----------------------------	-----------	------------

## PHW Hot Water, Mobile, Electric-Powered, Diesel/Oil-Heated

PHW5-30024H	Model: 4.8 GPM, 3000 PSI, 10 HP, 208V 3ph	15 days	\$10,537
PHW5-30024F	Model: 4.8 GPM, 3000 PSI, 10 HP, 575V 3ph	15 days	\$10,754

## PGDC Hot Water, Skid Mounted, Gasoline-Powered, Diesel/Oil-Heated

All models	Steam combination with pump-mounted valve	15 days	\$480
All models	Adjustable thermostat	15 days	\$480
All models	Hour meter	15 days	\$480

## VHP Hot Water, Mobile, Electric-Powered, LP Gas-Heated

All models	Steam combination with pump-mounted valve	15 days	\$480
All models	Natural gas conversion	15 days	\$480
VHP3-20024B,C	Model: 2.5 GPM, 2000 PSI, 5 HP, 230/460V 3ph	15 days	\$8,719

## EHW Hot Water, Electric-Powered, Electric-Heated

All models	Auto start/stop conversion from time delay	15 days	\$372
All models	Float tank option	15 days	\$692
All models	LanCom wireless remote w/ auto start/stop upgrade, 1 wash cycle	15 days	\$1,400
All models	LanCom wireless remote w/ auto start/stop upgrade, 2 wash cycles	15 days	\$1,648
All models	Stainless steel exterior heater box upgrade	15 days	\$1,395
EHW4-20024B	Model: 4.2 GPM, 2000 PSI, 6.2 HP, 230V 3ph	Call	\$14,183
EHW4-30024B	Model: 3.5 GPM, 3000 PSI, 7.5 HP, 230V 3ph	Call	\$14,855
EHW - Heater Box Only	40.5 KW, 460V 3ph	15 days	\$7,479
EHW - Heater Box Only	40.5 KW, 575V 3ph	Call	\$7,479

## SEA Cold Water, Stationary, Electric-Powered, Belt-Drive Pump

All models	Hour Meter	15 days	\$465
All models	LanCom wireless remote w/ auto start/stop upgrade, 1 wash cycle	15 days	\$1,400
All models	LanCom wireless remote w/ auto start/stop upgrade, 2 wash cycles	15 days	\$1,627
All models	LanCom wireless remote w/ float tank, 1 wash cycle, time delay	15 days	\$1,906
All models	LanCom wireless remote w/ float tank, 2 wash cycles, time delay	15 days	\$2,149
All models	LanCom wireless remote w/ float tank, 1 wash cycle, auto start/stop	15 days	\$2,025
All models	LanCom wireless remote w/ float tank, 2 wash cycles, auto start/stop	15 days	\$2,257
SEA4-20024F	Model: 3.5 GPM, 2000 PSI, 5 HP, 575V 3ph	15 days	\$5,831
SEA4-30024A	Model: 3.5 GPM, 3000 PSI, 7.5 HP, 230V 1ph (includes GFCI)	15 days	\$7,128
SEA4-30024H	Model: 3.5 GPM, 3000 PSI, 7.5 HP, 208V 3ph	15 days	\$6,188
SEA4-30024F	Model: 3.5 GPM, 3000 PSI, 7.5 HP, 575V 3ph	15 days	\$6,188
SEA5-30024B,C	Model: 4.8 GPM, 3000 PSI, 10 HP, 230V / 460V 3ph	15 days	\$6,188
SEA5-30024H	Model: 4.8 GPM, 3000 PSI, 10 HP, 208V 3ph	15 days	\$6,653
SEA5-30024F	Model: 4.8 GPM, 3000 PSI, 10 HP, 575V 3ph	15 days	\$6,653

Unless otherwise stated, modified machines are not listed with ETL or ETLc certification standards.

## MP-MPE Cold Water, Gasoline- or Electric-Powered

MP-373534E	Model: 3.7 GPM, 3500 PSI, GX390 389cc Honda, Landa pump (electric-start upgrade)	15 days	\$5,537
MP-803034E	Model: 7.8 GPM, 3000 PSI, GX660 688cc Honda, Landa pump	15 days	\$9,741
MP-102034E	Model: 10.6 GPM, 2000 PSI, GX660 688cc Honda, Landa pump	15 days	\$9,741
MP-MPE - 5-5000 models	Time delay shutdown option	15 days	\$981
MPE5-30024A	Model: 5.0 GPM, 3000 PSI, 10 HP, 230V 1ph, Landa pump	15 days	\$8,961
MPE5-50024H	Model: 5.0 GPM, 5000 PSI, 20 HP, 208V 3ph, Landa pump	15 days	\$10,795
MPE5-50024F	Model: 5.0 GPM, 5000 PSI, 20 HP, 575V 3ph, Landa pump	15 days	\$10,795
MPE8-30024B,C	Model: 7.8 GPM, 3000 PSI, 20 HP, 230/460V 3 ph, Landa pump	15 days	\$9,984
MPE10-20024B,C	Model: 10.6 GPM, 2000 PSI, 20 HP, 230/460V 3 ph, Landa pump	15 days	\$9,984

## PG Cold Water, Gasoline-Powered, Belt-Drive Pump

PG4-35324E	Model: 3.7 GPM, 3500 PSI, GX390 389cc Honda, Landa pump	15 days	\$4,633
PG5-35324E	Model: 4.7 GPM, 3500 PSI, GX630 688cc Honda, Landa pump	15 days	\$6,627

## PE Cold Water, Electric-Powered, Belt-Drive Pump

All PE models	Auto start/stop with shutdown	15 days	\$904
All PE models	Time-delay shutdown	15 days	\$904
PE4-20024G	Model: 4.2 GPM, 2000 PSI, 6.2 HP, 208V 1ph	15 days	\$4,796
PE4-20024H	Model: 4.2 GPM, 2000 PSI, 6.2 HP, 208V 3ph	15 days	\$5,227
PE4-20024F	Model: 3.5 GPM, 2000 PSI, 5 HP, 575V 3ph	15 days	\$5,227
PE4-30024G	Model: 3.5 GPM, 3000 PSI, 7.5 HP, 208V 1ph	15 days	\$5,552
PE4-30024H	Model: 3.5 GPM, 3000 PSI, 7.5 HP, 208V 3ph	15 days	\$5,609
PE4-30024F	Model: 3.5 GPM, 3000 PSI, 7.5 HP, 575V 3ph	15 days	\$5,645
PE5-30024A	Model: 4.8 GPM, 3000 PSI, 10 HP, 230V 1ph (includes GFCI)	15 days	\$7,784
PE5-30024H	Model: 4.8 GPM, 3000 PSI, 10 HP, 208V 3ph	15 days	\$6,322
PE5-30024F	Model: 4.8 GPM, 3000 PSI, 10 HP, 575V 3ph	15 days	\$6,322

## SPE-SPG Cold Water, Stationary or Skid, Electric-Powered (SPE), Gas-Powered (SPG)

PDE - Obsolete

SPE6-30024B,C	Model: 6.0 GPM, 3000 PSI, 15 HP, 230V / 460V 3 ph	15 days	\$8,781
SPE8-30024B,C	Model: 8.0 GPM, 3000 PSI, 20 HP, 230V / 460V 3 ph	15 days	\$9,297
SPE10-20024B,C	Model: 10 GPM, 2000 PSI, 15 HP, 230V / 460V 3 ph	15 days	\$9,297
SPE - All models	Conversion from WaterBlaster to SEHW frame	15 days	\$480
SPE-SPG - 6-8 GPM models	Auto start/stop with shutdown	15 days	\$904
SPE-SPG - 10 GPM models	Auto start/stop with shutdown	15 days	\$981
SPE - All models	Time-delay shutdown	15 days	\$904
SPG6-35324E	Model: 5.2 GPM, 3500 PSI, GX630 688cc Honda engine	15 days	\$7,593
SPG8-30324E	Model: 7.8 GPM, 3000 PSI, GX660 688cc Honda engine	15 days	\$8,724
SPG10-20324E	Model: 10.6 GPM, 2000 PSI, GX660 688cc Honda engine	15 days	\$8,848

\*Note: All SPG models are built in the PGHW cage.

# LANDA®

## Buy with Confidence!

Landa's advertised specifications (PSI, GPM, etc.) are certified by the Cleaning Equipment Trade Association to be correct. And, of course, nearly all Landa equipment are certified by Equipment Testing Laboratory (ETL) which verified we are in compliance with OSHA and CPSCA.

## Certification

Our manufacturing facilities have established and apply a Quality and Environmental Management System to be ISO 9001:2008 and ISO 14001:2004 certified.
