F9 GROUNDSKEEPER

F9 Groundskeeper

F9 Groundskeeper is our Industrial Concrete Maintenance Cleaner. This product will make the concrete absolutely "POP". It is used when topical oil stains have been pre cleaned and the stains are actually at or beneath the surface of the concrete. Great for commercial properties, restaurant entrances and high traffic areas. When using this maintenance cleaner, your customers will be telling you they have never seen their concrete so clean!

Available in Gallons, Case (4 gallons), 55 Gallon Drums, and 275 Gallons

ADVANTAGES:

- Excellent on tire marks
- Removes heavy foot traffic stains
- Keeps concrete cleaner longer

FOR:
SOILS, TIRE MARKS,
ENTRANCES AND
EXITS, HIGH FOOT
TRAFFIC AREAS,
AND MAINTENANCE
CLEANING
