

Environmentally Safe Black Streak Gutter Cleaner

Introducing...

GUTTER ZAP[®]

Gutter Zap is a 100% biodegradable concentrated formula that removes heavy soils, dirt, and industrial stains, especially those pesky tiger stripes on gutters. It contains special sheeting agents for easier rinsing.

- > Gutter Zap is the only Gutter Cleaner on the market that removes those pesky black streaks from gutters caused by the electrostatic bonding of dirt, grime, and acid rain runoff from roofs.
- > Enhance the beauty of your home within minutes with little elbow grease!
- > Simply follow the easy to understand instructions and watch the zebra stripes disappear, making your gutters look brand new again!
- > 100 % Biodegradable
- > Easy to use
